

ABLOY® EXEC Keys

Our ABLOY® EXEC High Security cabinet lock keys are made from nickel-silver and have a heavyduty polymer key bow. ABLOY® EXEC keys must be precisely cut to exact depths and angles, and require special duplicating machines. The key blanks are considered restricted, factory controlled and never sold as uncut blanks. Duplicate keys can not be made without the written signature consent and drivers license identification of the Authorized Purchasing Personnel. The patented key programs prevent the unauthorized duplication of keys and maintain system integrity.

Additional ABLOY® EXEC restricted keys can only be ordered under the original signature authorized users who initiated the keying plan.

Kenstan Original Keys can be ordered by referencing the stamp number on the key.

If keys have been lost or stolen, we can reference the stamp number on the lock housings, cams or bolts if available.
